

Message from the Governor General on the occasion of the 100th anniversary of the Toronto Regional Real Estate Board

The success of an organization is not only measured by its membership and accomplishments, but also by its leadership, its commitment to excellence and its ability to inspire others to follow its example and espouse its values.

Since its founding in 1920, the Toronto Regional Real Estate Board has taken a leading role in providing input to all three levels of government on important decisions for homeowners, tenants, landlords, businesses and investors. In addition, the Board holds its members to the highest standards, ensuring the best service possible to clients throughout the Greater Toronto Area as they handle one of the biggest transactions of their lives.

To all those who have contributed to the success of the Toronto Regional Real Estate Board, past and present: take pride in what you have built together and what you continue to build for the future.

Congratulations to all of you on this impressive centennial milestone!

Her Excellency the Right Honourable Julie Payette
Governor General of Canada
