**RE: TRREB 100<sup>th</sup> Year Anniversary**

In honour of the Toronto Regional Real Estate Board (TRREB) 100<sup>th</sup> Year Anniversary, the Ontario Home Builders' Association would like to congratulate your TRREB members on achieving this milestone and the work your team continues to do, advocating for the #homebelievers across the Greater Toronto Region. Founded in 1920 by a small group of real estate practitioners, TRREB has become Canada's largest real estate board, representing over 57,000 REALTORS®. TRREB helps home buyers achieve the great Canadian dream of homeownership as they turn houses into homes, offices into businesses, and streets into neighbourhoods. OHBA is proud and honoured to be a part of your celebration as we continue to advocate and provide input to all three levels of government on their decisions that impact housing legislation and regulations.

On behalf of OHBA's network of 27 local home builders' associations and 4,000 member companies, OHBA is thankful for the opportunity to work with the Toronto Regional Real Estate Board creating more housing supply and choice that Ontarians require and need in their communities. Thank you for being a #homebeliever.

Sincerely,

Joe Vaccaro  
CEO
