To the Toronto Regional Real Estate Board:

On behalf of the Region of Peel, it is my pleasure to send words of thanks and congratulations on the 100th anniversary of the Toronto Regional Real Estate Board (TRREB). For a century, your membership has helped people in the GTA say the words that have such profound meaning to families, "We're home." In doing so, you not only help clients fulfil their own dreams of homeownership, you help fuel the growth of communities and create opportunity for so many others.

As one of Canada's fastest-growing municipal regions, we benefit greatly from the expertise and insight that TRREB brings to the table in shaping a sustainable, prosperous future for Peel. Thank you for all the many ways that TRREB and its membership help people in Peel to find the home they love and build a rewarding life.

Kindest personal regards,

Nando Iannicca
